

**REMARKS**

Applicants are submitting this Amendment in response to the Office Action (Notice of Non-Compliant Amendment) dated August 20, 2004, in which the Examiner noted that the previously filed Amendment dated August 4, 2004 was not fully responsive because a complete listing of all of the claims was not present. In response, Applicants provide the status of claims 1-55 in this Amendment. Applicants respectfully submit that this matter is now believed to be resolved with this Amendment.

The Applicants hereby cancel, without prejudice or disclaimer, previously presented claims 1-55, 64, 77 and 89; amend previously presented claims 67, 95, 102, 106, 109, 110 and 117; and add new claims 120-154. Accordingly, claims 56-63, 65-76, 78-88 and 90-154 are pending in the present application.

The Applicants believe the present application is in a condition for allowance. Notice of same is earnestly solicited. Should the Examiner deem that a telephone conference would further the prosecution of this application, the Examiner is invited to call the undersigned at the number indicated below.

If these papers are not considered timely filed by the Patent and Trademark Office, then a petition is hereby made under 37 CFR 1.136, and any additional fees required under 37 CFR 1.136 for any necessary extension of time, or any fees required to complete the filing of this

response, may be charged to Deposit Account No. 50-0911. Please credit any overpayment to deposit Account No. 50-0911. A duplicate copy of this sheet is enclosed.

Dated: September 20, 2004

Respectfully submitted,
